## Developments of China Railway Express

- Italy signs Belt and Road Initiative
- Because of development of Eurasia trains, more state-owned enterprises will come to Europe, Sinotrans and China Railway will set up a company in Germany, possibly in Duisburg
- Digital platforms will be promoted in 2019
- China Railway Express will focus on quality development instead of quantity development
- Routings to and through Lithuania, Latvia, Kaliningrad and Ukraine will be developed in 2019
- Reefer Container will be an important part for China Railway Express
