Network ITALY

Our TransFER connections safely and reliably bring conventional wagonloads to and from Italy – from the North to the South.

The handling & advantages at a glance

- Marshalling yard **Villach South as central hub** for volume flows from/to Italy
- Combination of single wagon consignments and wagon groups
- Bundling into block trains and onward transport from and to Italy
- RCG takes care of **end-to-end solutions**:
 - First and last mile
 - Handling facilities
 - Warehouse logistics
 - Damaged wagon management & emergency management
- **Competitive advantage** through extended in-house production radius and reliable partners
- **Shortened transport times**, improved punctuality, complete security, maximum service quality
- **Rapid connection to the entire RCG network** as well as economic regions throughout Wes-, East- and Southeastern Europe with end-to-end logistics solutions
