For the smooth transport of rail freight between Europe and Asia, it takes a partner that is at home in every culture. That's the strength of InterRail, due to its presence in all the major states along this trade lane, with locations in:

- Austria:** Vienna
- Belarus:** Brest, Minsk
- China:** Beijing, Shanghai
- Germany:** Berlin, Frankfurt
- India:** Ahmedabad, Chennai, Mumbai, New Delhi
- Kazakhstan:** Almaty, Dostyk, Nur-Sultan
- Poland:** Malaszewicze, Rzepin, Warsaw
- Russia:** Chelyabinsk, Ekaterinburg, Moscow, St. Petersburg, Orenburg, Vladivostok, Vostochny
- Switzerland:** St. Gallen
- Turkey:** Istanbul
- Ukraine:** Kiev
- Uzbekistan:** Tashkent

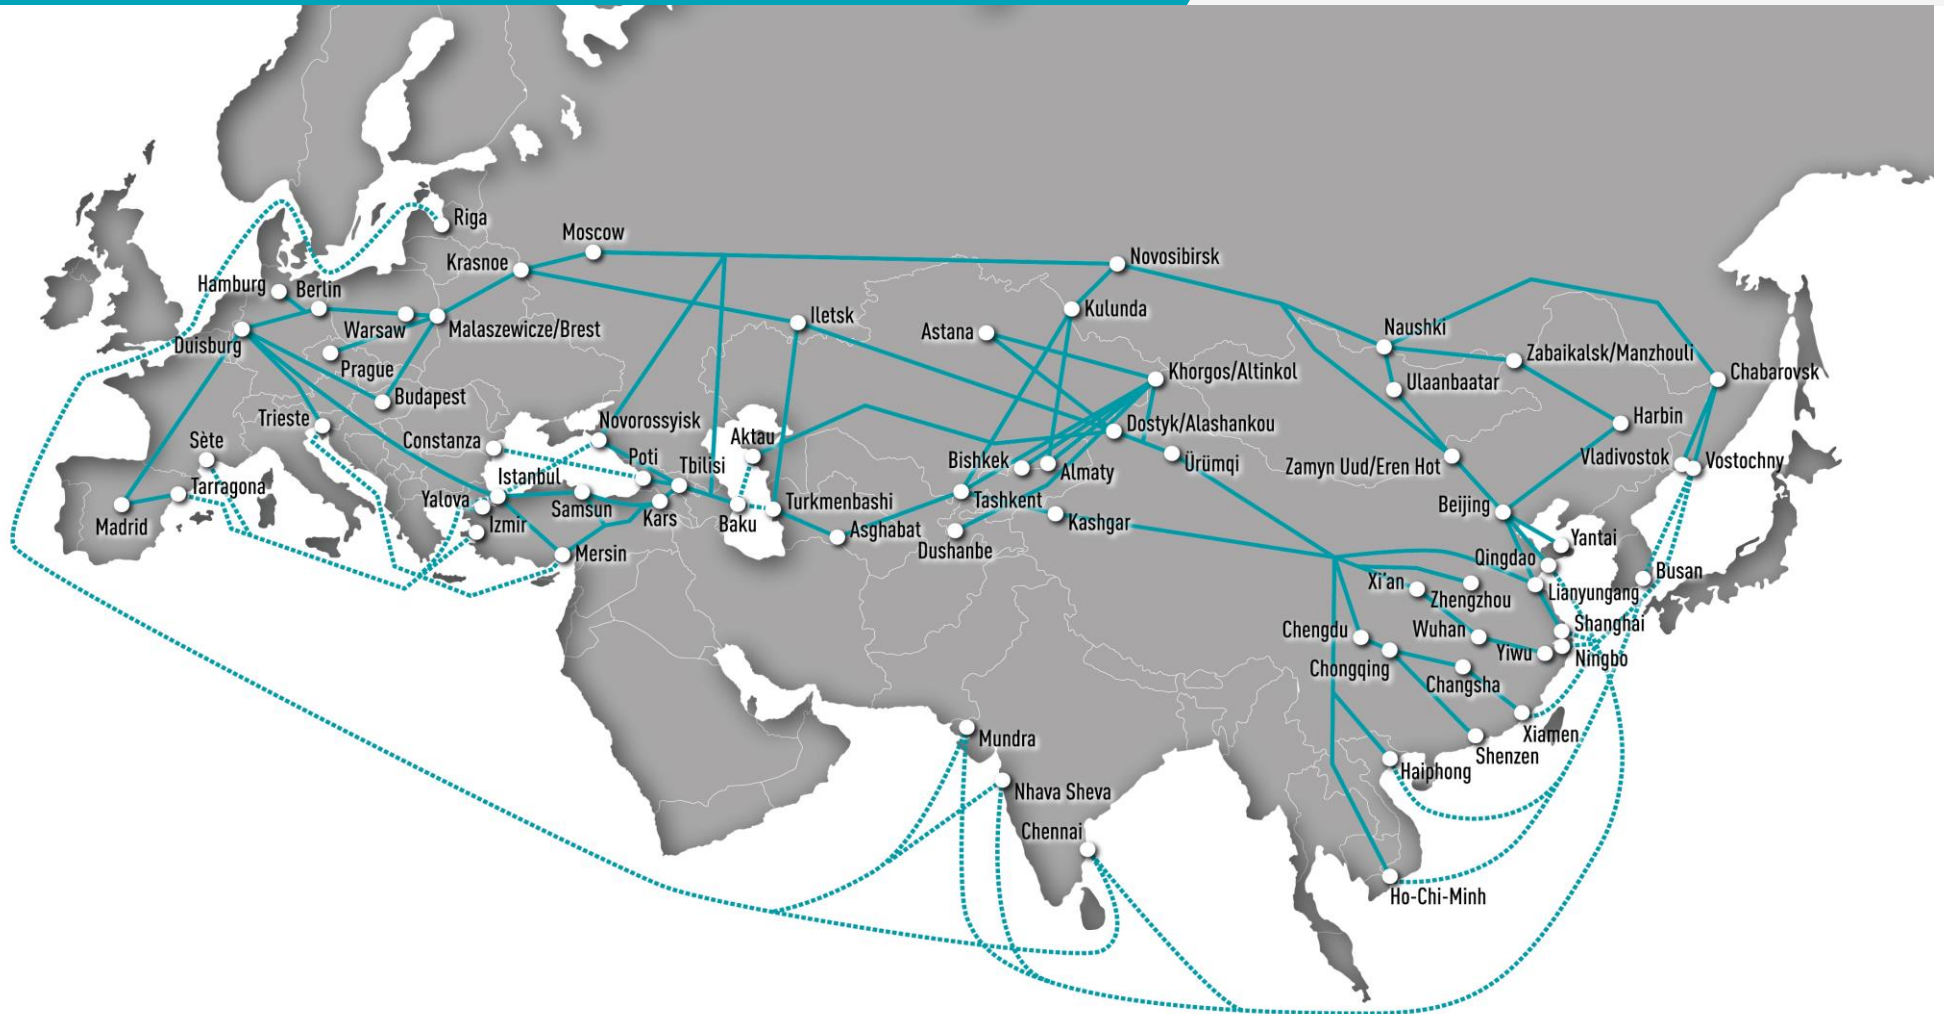

With rail-focused services, InterRail addresses customers across the entire Eurasian region respectively along the New Silk Road. To support its freight brokerage services, InterRail draws on its own container fleet, and in the CIS & Europe, on its own and leased rolling stock.

Active routes:

- Europe – China
- Europe – Russia/Central Asia
- China – Russia/Central Asia
- China – Russia/Central Asia – India
- within CIS countries & Europe

Services:

- ad-hoc blocktrains
- scheduled blocktrains
- single Container on blocktrains
- single Container in public network

Rail experts providing customised logistics solutions in Eurasia
